The Pony Express Branch #69
April — 2022 Edition

John Popadak, Editor

Message from Mark

Spring is bringing us longer days with fantastic weather! With that everyone is looking forward to getting some more time outside with family and friends. The golf league will be increasing the number of days for golfing per month. But league bowling will come to an end in April. In June we will have **PICNIC DAY** at Carmichael Park on June 22nd.

My goal has been to have additional activities for our members, spouses or significant others plus attract new members with additional activities.

We started with a **DINE - OUT** and **Card Games** in March. The goal for the first **Dine Out** was to find the best Italian Restaurant in the Sacramento area. The first was Vince's restaurant in West Sacramento with 16 people attending. I thought I'd do it every quarter, but the trendies wanted one in April. So, on April 7th we will be dining at Taste of Tuscany (<https://www.thetasteoftuscany.com/>).

On March 16th SIR Dan Nelson organized our first **Card Game** activity (*Cribbage*) at Country Club Bowling Center. It was a great success since there were at least 16 players stopping by to play cribbage or watch!

Coming soon we will be having the opportunity to go to **River Cats** games (Chair SIR Dennis Kramer), **Walks/Hikes** (Co chair PBS Paul Sickert and SIR Fred Gordon) and **Wine Tasting** (Chair SIR Dennis Kramer). Thank you for **DOING YOUR PART!** Again, **PLEASE** invite a guest to any of these activities!

March 10 meeting crowd.

DOING MY PART: Please welcome our new members for March **SIR MALCOLM HILL** (*Sir Fred Smith*), **SIR DENNIS KRAMER** (*BS Mark Steffens*), **SIR JIM BONOVICH** (*PBS Jimmy Buckley*), **SIR PAUL PARSON, MD** (*PBS Jerry Schroeder*), **SIR GREGORY POWELL** (*PBS Tom Page*).

Last month Area Governor Jack Reefer Installed our five new members!

Jack also awarded to PBS Tom Page the State pin **Doing My Part** for his exceptional job in hosting the Pony Express Branch SIR 69 first State Bowling Tournament. We had over 90 participants from around the state attending.

Finally, check out SIR Apparel and Signage (<https://sirinc.org/apparel-and-signage>). You will be amazed at what is available to our members (personalized Branch 69 shirts and jackets with your name FREE). The Pro-Shop Website can take individual orders. If your order is over \$50 it has free shipping.

Mark Steffens, Big Sir

Alan's Chit-Chat

Gentlemen: Don't you love the longer hours and nice weather? The trees are leafing out, and the flowers are in bloom. Nice. Our branch has seen a spurt of growth – keep up the good work. Sadly, I had to attend two memorial services this past week – for Frank Calcagno and Pietro (Pete) Pozzuto. Being from the southern part of the county, I had NO IDEA Frank was so well known and beloved community-wide! My wife and I played Bocce Ball with him and his wife Sandy. He will be missed. And at Pietro's service I found out that he and his wife, Antonietta were from the same small village in Italy. Everyone has a story that is unique and fascinating. Take the time to learn more about your SIR brothers – you may be surprised at what you learn...

Our April presentation will be by the Health and Safety Committee from Heritage Park, the community that I live in. They will present on the Vial of Life, which is designed to provide first responders with important medical and other information when they respond to an emergency in your home. When a disaster strikes, we may not be in the frame of mind to present them with necessary information.

As the bowling season winds down, I want to take a moment to thank Tom Page for his continued service to the league – his tireless work is mostly behind the scenes and deserves recognition. Thank you, Tom.

As always, invite a friend. As retired men, we need to have the social interaction – it helps “keep the old man out”.

Alan Weinel, Little SIR

March's speaker, Norm Losk, explains the AARP's volunteer income tax preparation service and how SIR members can volunteer to help.

Little Sir, Alan Weinel, presents Norm Losk with a certificate and a bottle of wine for his presentation.

SIR Paul Parsons MD

2040 University Park Dr
Sacramento, CA 95825
(916) 849-9071

Paul was born and raised here in Sacramento. After graduating from Sacramento High School, Paul attended Raymond College, a part of University of the Pacific in Stockton. He also completed a short stint at UC Berkeley to finish his credits for medical school. Paul's medical school was UC Davis, where he was a member of the first medical school class at that university. He did his internal medicine internship at the University of Oregon, followed by a radiology program there. Following the medical training in Oregon, he returned to the Sacramento area with a radiological practice in Woodland, eventually followed by a move to Mercy radiological group in Sacramento.

Paul and his wife Lin have two sons, one an accountant in the Bay Area and one a doctor with a general practice in Colorado. Paul enjoys golf and is looking to improving his game and participating in our branch golf outings. He has been involved with choral groups and music all his life, too.

Birthday: May 26, 1946

SIR Samuel (Jim) Bonovich

3308 Oak Stream Ct,
Carmichael, CA 95608
(916) 765-8640
bonjr1@sbcglobal.net
Sponsor: Jimmie Buckley

Jim was born and raised in the small town of Crockett, right at the west end of the Carquinez Bridge. After high school, Jim went to work for 10 years as a heavy equipment diesel mechanic. He next operated a gas station for another three years. After the gas station venture, Jim and his mom opened Vera's VillaValona restaurant in Crockett. They ran this restaurant until 1975, when Jim switched to owning and operating the Whale's Tale in Alameda. That restaurant operated Suc-

cessfully until the Loma Prieta earthquake in 1989 broke off the access around the location. At that point, Jim and his family moved to Sacramento and Jim began work in the swimming pool maintenance and repair business. He was happy with that work - just himself, no employees, no union to deal with. He retired in 2005.

Jim has three sons, four grandchildren and two great-grandchildren. He has worked with all kinds of cars all his life - sports cars, antique cars, hot rods. He used to grow his own grapes and produce his own wine. He still enjoys bocce ball and bowling, with plans to bowl in our SIR league. Jim also used to do a lot of competitive sailing, racing up and down the coast of California and Mexico. He raced a Santana 35 in the Bay Area for 10 years and raced a Santana 20 at Folsom Lake for several years.

Birthday: March 16, 1935
Anniversary: Roseanne, October 24, 1998

Malcolm was born in Reno, Nevada but mainly grew up in Sacramento, where his father was stationed in the Air Force. After high school, Malcolm attended Sacramento City College and Sacramento State University, from which he earned a degree in Criminal Justice.

His degree led him to early career jobs as a reserve deputy sheriff and a police officer for the San Juan Unified School District. Later, Malcolm worked for Breuner's Furniture Company for 19 years. After Breuner's closed, he returned to the San Juan School District as a bus driver for the remainder of his working life.

Malcolm likes golf and is looking forward to playing with our groups. He is also going to attend the cribbage outing scheduled for Country Club Lanes.

He was an armorer in the Army, working with both small arms and tank weaponry. During his 12-year enlistment, he traveled to Korea, Germany and Japan in addition to postings in the United States.

After his Army service, Greg worked for West Coast Beauty in their warehouse, later in their facility design team. After his retirement, he moved to the small town of Paradise near Chico and lived there until the entire town was consumed by fire several years ago.

Greg is an active bowler, plays some golf and has enjoyed music all his life.

Sponsor: Mark Steffens

Dennis was born in Santa Rosa, but grew up in Yuba City. After high school, he attended Yuba College for two years and then the University of the Pacific in Stockton, from which Dennis earned a BA degree in Non-Profit Agencies. Following college, Dennis moved to Woodland to work for the Boy Scouts of America as a District Scout Executive, a job that primarily involved fund raising. This job didn't really provide a lot of satisfaction, so he moved into remodeling contractor work throughout the Woodland, Davis, Esparto and Knight's Landing area. This occupation kept Dennis employed for 20 years and ultimately led him to a job working as a hospital engineer for Woodland Healthcare. He continued with this employment until injuries from a severe auto accident led to his retirement.

Dennis and his wife Kitty have two daughters. He enjoys family activities, cards, backgammon, golf and maybe bowling when physically able to participate, fishing and hiking.

Birthday: April 10, 1958
Anniversary: Kitty, May 26, 1979

RECRUITING AND PUBLICITY

Our branch brought in 5 new members last month! This is really good news and a great effort on the part of branch members. Let's keep up that momentum and keep those new guys coming in. Also, read the bios for our recent additions - they're an interesting group of guys.

I'm still fighting some recent health issues, but I'm improving slowly and hoping to get in touch with Morton Golf shortly to see if there is a possibility for a joint marketing event with Morton Golf and our branch, or perhaps with Sons in Retirement overall. I'll keep you posted on any results.

Meanwhile, each Branch 69 member should give some thought to friends, golfing and bowling buddies who might have an interest in our branch. We know how much fun our golf and bowling programs are - we have to share this information with prospective members.

I'm looking forward to seeing all of you at the next luncheon.

BOWLING NEWS

300! It was total perfection for Jim Smalling in our recent league play. This was Jim's first perfect game in our league, although he had previously nailed 2 perfect games in the Tuesday league. Ted Patterson is the only other bowler with a 300 in our league, and Ted has 2 of them. Congratulations, Jim, on your great game.

I mentioned in my bowling report at the March luncheon that 3 teams have pretty much moved out in front of the pack for the 2nd half title. With just 4 weeks to go, this is still the case. These 3 teams, captained by George Langford, Rich Taylor and Steve Eason, will no doubt battle it out to the end.

In addition to Jim Smalling's perfect game, several other bowlers recorded some impressive scores. Bowling directly against Jim, Pat Barrett actually beat Jim's scratch series with a 711 total over Jim's 692. Jim Happs had a 609 series. Patrick Fintel had the best handicap series with 758, while Adrian Garcia followed with 744 and Emory Haworth with 743.

SACRAMENTO STATE SIR BOWLING TOURNAMENT

Quite a few of our league bowlers cashed in with our recent State SIR Bowling event. Joe Bowers led all our bowlers, followed closely by Neal McCoy. Overall, our guys bowled really well and the results confirmed that.

Final league results will be in the May newsletter.

Check out page 9 for pictures from this great tournament. Pictures courtesy of Jimmy Buckley.

CARD CLUB

We had our first get together on Wednesday the 16th at the Country Club Lanes. They have a back room for us with tables and chairs and lots of room. We played Cribbage for a 2-3 hrs. and its was a lot of fun. We played one on one games, 3 handed games, and doubles. Just getting familiar with the game of cribbage again and for some of us just learning the game for the first time. We played quite a few games and everybody had a good time. We will continue to do this for a few weeks until everybody feels comfortable. Ultimately we hope to start having tournaments and playing for pride and maybe a little money.

I might add if you ever play against Fred Smith, watch out, he can't count. Everything adds up to 31 (just kidding Fred).

We will be doing this again on Wednesday March 30th at 1:00 and continue to 3:30 at the latest. Come and join us. Lots of fun and kibitzing with each other. See you there.

Wine Tasting

How about a Wine Tasting trip that's a little different? I would use the old cliché about out of the box thinking at this time but if you're new to wine this may be just what you need to get you out of drinking boxed Wine.

My suggestion is as follows; we go on our first trip to Bogle Winery in Clarksburg. Contact was made about private group "tastings" with a knowledgeable Host. The idea being to learn something about the Wine process from vineyard to bottle, as well as trying a variety of wines and in some cases get food pairing suggestions. I recommend we go on a Monday, Tuesday, or Wednesday as the Winery is closed on those days thus allowing our group a truly Private event.

There is also a nice Picnic area available, with a great view perfect for capping off a great day.

I will need to have an approximate number attending, (perfect outing for wives, mine will be coming) when I make contact to book the outing. Dates will be available on or before our next meeting.
