APPLICATION FOR MEMBERSHIP

The overall membership process requires cooperation between the Membership, Recruitment and Public Relations, Attendance and Orientation Committees. To ensure a smooth membership process, communication between these committees is paramount. These procedures deal with how potential new member applications (Form 2 – Application for Membership) are processed within Branch 69.

2. The Attendance Committee will give all Guest Cards to the Big Sir before the luncheon. The Big Sir will make note of the guest's name and the person who brought them so that they both can be introduced during the luncheon. The Big Sir will then give the Guest Card(s) to the Membership Committee so that they can follow-up with potential new members during the luncheon to determine their interest.
3. If the potential new member application was completed, the Membership Committee will collect the application for processing.
4. If the application was not completed, the Membership Committee will follow-up with the new member's sponsor during the next several days to determine the guest's interest in joining. If the sponsor is unaware of the guest's intent, the Membership Committee will contact the guest.

After receiving an email with new member information, the Membership Committee or designee will assign a badge number and create a badge with a distinctive color for the name to identify him as a new member (to be worn for three months), and produce several SIR Cards for the new member. Also, the Membership Committee or designee will create a Certificate of Membership for the new member. The Membership Committee or designee will then inform the Attendance and Orientation Committees of the badge number, provide the Orientation Committee with the SIR Cards for inclusion in the New Member Packet, and give the Big Sir the new member's Certificate of Membership and badge.
6. After receiving an email with new member information, the Orientation Committee will complete a New Member Packet which will include:

MISSING 3 CONSECUTIVE MEETINGS

2. The Big Sir (or designee) will then contact the member(s) and find out the reason for not attending and invite them to the next luncheon.
3. At the subsequent BEC meeting, the Big Sir (or designee) will report on the members who have been missing meetings and the result of the follow-up phone calls.
4. If the member continues to miss meetings, Big SIR will inform the Membership Chairman, who will send the member a SIR Form 4 (Notice of Missed Meetings) and report on the status of the Form at the subsequent BEC meeting.

*Branch Procedure #4
December 2005 (Revised October 2018 & November 2019)*

INACTIVE MEMBER

Deletion of Inactive Member Status

‘Inactive Member’ status was deleted effective October 30, 2018 because there has been a widespread belief that an Inactive member could freely attend activities as a guest. However, Rule 91 has stated since 6/10/08 that “An inactive member may be a one-time guest at a regular monthly luncheon meeting or an in lieu function such as a special luncheon, dinner or picnic, but cannot be a guest in any other SIR activity.”

This Rule meant that an “inactive” member was **never a guest** and was therefore not an ‘insured’ person covered by our General Liability (GL) insurance. Some Branches, not understanding the implications of Rule 91, allowed “Inactive” members to participate regularly in activities, an obvious risk to SIRinc because our GL policy gives us no protection against claims caused by them.

Removing the ‘Inactive’ status means that a man is now either a **Member**, or not, so we no longer need to define a member as an ‘Active Member’. Accordingly the word Active has been removed from the Rules where it was a necessary adjective.

Now that the status of “Inactive” membership has been deleted, all Members in good standing are ‘insureds’ and SIRinc is covered by our GL policy for authorized activities where Members outnumber guests (see Rule 40).

Invited guests, eg potential members, are covered as ‘insureds’ at authorized SIR activities. It is considered unethical to invite a non-member to routinely enjoy a SIR activity as a “guest”, especially if the man does not intend to join SIR. The Board, at its next meeting, will consider a motion to limit the number of times a guest can attend SIR activities without committing to join a Branch.

BRANCH EXECUTIVE COMMITTEE

The Branch Executive Committee often referred to as the BEC or “The Board”, is made up of 6 Officers (Big Sir, Little Sir, Secretary, Assistant Secretary, Treasurer, Assistant Treasurer) and up to 6 Directors. Their job is to run the business of the Branch. They are the only people that can vote at a BEC Meeting. In order to conduct business, a quorum must be present (half the members +1). Although all special activity Committee Chairmen should attend BEC Meetings, they cannot vote on any motion brought before the board, however; they can present items to the Board for consideration.

Branch 69 has been lucky; we have always selected motivated newer members to the Board. This “new blood” has brought innovative ideas into the Branch Management and has provided a fertile field for future Little Sir/Big Sir candidates and other leadership positions within the SIR. It also serves as a training ground where future Little Sir’s can be totally informed and comfortable with Branch procedures prior to becoming the Branch leader. It is a Branch Policy that Directors normally serve for no more than three consecutive terms. The immediate Past Big Sir will be automatically selected as a Branch Director and his term of office will be for one year. We encourage all BEC members to attend the Branch Training Session in January.

The Branch has written procedures that cover a number of subjects to insure continuity from year to year. Please familiarize yourself with these procedures. As a BEC member, you are running a California Chartered C-4 Non Profit Corporation whose charter is renewed every other year by The Secretary of State. We are required to file tax returns, and this is done by the SIR State Secretary.

All Branch operations are conducted under the rules of the SIR Manual. You can find the complete copy on the State website www.SIRinc.org.

*Branch Procedure #8
February 2009 (Revised June 2011)*

SUNSHINE COMMITTEE

The Sunshine Committee's purpose is to keep the Branch members informed of the well-being of all members. It is also responsible for aiding Branch members who need assistance (transportation to luncheons, wheel chairs, walkers, etc.).

Where Do You Get Information?

1. Most of the information is gathered by word-of-mouth or through the grapevine. Frequent notices are placed in the Branch Newsletter to call the Sunshine Chairman when someone is sick, hospitalized, passed away or if transportation or assistance is required to attend a luncheon.
2. Monthly callers are asked to pass on any health related absence problems uncovered during their calling to the Big Sir. He will then inform the Sunshine Chairman.

What Actions Need to Take Place?

1. Follow up. If you hear someone is sick or hospitalized, give him or his family a call.
2. If someone has passed away send out a sympathy card to his family.
3. If someone is hospitalized, send a get well card to him at home address.
4. In case of a death, let the Newsletter Editor know immediately so that an email can be sent out informing all Branch members.
5. If someone is having problems getting to a Luncheon because of transportation or health reasons, try to arrange transportation or assistance.
6. Prepare a monthly report for the Newsletter Editor no later than the 22nd of the month for inclusion in the next newsletter.

The information audited will be provided by the Branch Treasurer and both the Long and Short Course Golf Tournament Directors. Branch Procedure #13
December 2017

Membership Roster

The Sirs Branch 69 Roster is a yearly pamphlet distributed to all Branch 69 members at the beginning of each calendar year. The roster contains information about the Branch Officers, State Officers and Branch members. The main body, the members pages, display members pictures, addresses, emails and sponsors. This pamphlet is distributed by the branch Treasurer beginning in January each year to members upon receiving their yearly voluntary contributions. The yearly activities of preparing the Roster are explained below.

1. Roster Versions

- a) There are currently two Roster versions created in Microsoft Word used for preparing the roster. The first one is titled “Roster in Progress New” (Attachment ‘A’), which contains an alphabetical listing of current Branch 69 members and additional information. The second version is titled “Roster Format FINAL” (Attachment ‘B’), which is a version prepared for reproduction in a booklet form. Two versions are necessary because updates will rearrange the placement of information in the document (for example: when a new members information is added, subsequent members information will shift down in the document). Thus, updates during the year and at years’ end are made only to the “Roster in Progress New” document.

2. “Roster in Progress New” Document Updates

- a) For updates to the “Roster in Progress New”, start by using the previous year’s “Roster in Progress New” document. During the year updates should be made when roster changes to names, addresses, phone numbers, emails, are made. These updates will not affect the shifting of names in the roster. Updates to members being added or removed will shift information down or up so they should be delayed until November of each year. Most all updates should be identified by “Roster Repairs” or the addition of new members in the monthly Newsletters. The branches Membership Chairman also produces a list of member status (leaving, moving to inactive or back, new members) that should be used as a reference. A separate document can be maintained on these activities for use when final November updates are made.
- b) The Roster contains not only member information but also the Big Sir statement, Branch Officers & Directors, Chairmen, State Officers, HLM, Senior Certificate Recipients & past Big Sirs. These updates must also be made in the initial pages of the Roster. The final page includes Inactive members.
- c) The largest section of the roster is the member’s information. It displays a picture of the member along with detailed reference information (addresses, phone numbers, email, etc.). This is also the most difficult area to update. Adding or deleting members will alphabetically shift information often resulting in additional clean-up work. Start with your updates in

alphabetical order and work from top to bottom. When you insert a picture make sure you select “Wrap Text” and “Square” option. This allows you to size and place the picture in the proper position. Indenting the members name and detailed reference information can also be a bit messy. Align using margins as best you can.

d) It is suggested that you have the Membership Chairman review the “Roster in Progress New” to make sure all Active members have been identified.

3. **Validation of Roster Updates**

- a) When Final updates have been made to the “Roster in Progress New”, members are given the opportunity to verify their information for accuracy. This is typically completed in mid-November. Most members have email so a PDF draft can be sent to them for verification. For those members without email a call is necessary. Based on this feedback, updates are made.

4. **Approval for Roster Funding**

- a) In August of each year, approval by the BEC is required for funding the reproduction of next year’s Rosters. Ideally, research various businesses that do reproduction to get a cost estimate. To date, Office Depo has been found to be the least expensive. They will provide an estimate. Provide the estimate to the BEC at August’s BEC meeting to secure approval for funding.

5. **Newsletter Roster Communications**

- a) Announcing the Rosters’ progress and availability is done via the Newsletter. The November Newsletter should announce the status of the Roster and the plan to have members validate their information. The January Newsletter should announce the arrival of the Roster booklets and prepare members to bring their voluntary contributions to the January luncheon in order to receive a Roster.

6. **Moving the “Roster in Progress New” Info. to the “Roster Format FINAL” Document**

- a) **First and foremost, don’t take this step until the “Roster in Progress New” has been finalized.** This should be complete by late November when members have had the opportunity to validate their information. Send out an email reminder to members and give them a cutoff date. There is no December luncheon so there should be no new members to add and hopefully no last minute deletions or modifications Any last minute change that affects the order of members on the “Roster in Progress New” may result in having to completely redo the “Roster Format FINAL” document before reproduction.
- b) The documents you will need to complete the “Roster Format Final” include:
 - a. The updated “Roster in Progress New” document after all updates have been made.
 - b. The “Roster Format Final” document from the previous year.
 - c. The “Cover” document which is the branch logo used for the cardstock roster cover.
 - d. A listing of the next years voluntary Callers received from the Branch Secretary.

- c) The “Roster Format Final” document is different than the “Roster in Progress New” document in that it is formatted for booklet reproduction. Since the booklet has back-to-back printing, pages 1 & 2 will be printed with the last two pages on a single sheet of paper. So when you fold each sheet and it is stapled together as a booklet the order of information will be correct. In addition, the Callers are to be placed on the “Roster Format FINAL” document. It is suggested that the best process to use is copy & paste from the “Roster in Progress New” document to the “Roster Format FINAL”, and then add the Callers to the bottom of each page. Typically, each Caller is added to two pages (14 members each). Some Callers will have less than 14 members initially assigned. The Secretary is likely to add new members to these Callers. It is the Secretary’s responsibility to work with the Callers.

7. Number of Rosters to Reproduce

- a) A good formula is to use number of members plus 15 additional copies. More booklets are needed in anticipation of new members joining the Branch through the year. There will be extra booklets left by some members not paying the voluntary contribution. Contact the Treasurer for the exact number.

8. Final Roster Reproduction and Distribution

- a) Before producing large numbers of the Roster, have a sample produced. This sample can be used to validate that the paper copy is correct. It is wise to closely validate that the information and paging sequence is displayed correctly. Modifications, especially to pictures that are too dark or light may be necessary. If corrections are made after reviewing the sample, it is suggested that another sample is produced and verified. After final reproduction, the Roster booklets are given to the Branch Treasurer. Upon collecting the member’s yearly voluntary contribution, the Treasurer provides the member with a booklet. In addition, the Secretary is provided a soft copy of the “Roster in Progress New” version for distribution to State Officers. Also, the Secretary needs the soft copy to send information to next year’s slate of luncheon Callers. The Secretary may ask the Treasurer for hard copies to distribute to State Officers.

9. Preparation for Next Year’s Roster

- a) Create a copy of the “Roster in Progress New” and the “Roster Format FINAL” files and rename it to next year’s date.

Branch Procedure #14
November 2019

Luncheon Attendance

The overall Luncheon Attendance process requires coordination between the Big Sir and the Attendance, Reception and Membership Chairmen. To ensure a smooth Attendance process, communication between these parties is paramount. These procedures deal with how luncheon attendance is recorded and resulting information processed.

General Responsibilities

1. The Attendance Chairman (AC) records the attendance of all members/guests attending the monthly luncheon on a paper Attendance chart (see Attached).
2. The AC sits at a check-in table with the Reception Chairman (RC), who maintains all Branch member's numbered badges. As members arrive, the AC looks up their last name alphabetically on the Attendance chart and tells the RC the badge number assigned to that member located in the right-hand column next to their name, then records their attendance (see Attached). The RC then provides the member their badge.
 - a. At the conclusion of luncheon, members return their badges to the check-in table and the AC and RC collect and sort badges for storage until the next luncheon.
3. The AC records all Guest names on the Attendance chart and provides them with a Guest Card for completion and return, and provides them with a name tag. If the Guest is a potential new member, a Membership Application and a Recruiting Brochure will also be provided. All Guest Cards will be provided to the Big Sir before the luncheon for acknowledgement at the luncheon.
 - a. The AC also records the name of the luncheon Guest Speaker and provides them with a name tag.
4. After the luncheon and using the paper Attendance chart, the AC will transcribe the luncheon attendance information of members/guests to an EXCEL spreadsheet (see Attached). Also, prior to the monthly luncheon, the Big Sir (BS) provides the AC with a list of members who have an "excused absence" for that month. The AC will record an "ex" for those members on the EXCEL spreadsheet (see Attached).
 - a. If a member is identified as having "Excused Absence" status in the Roster, update the EXCEL spreadsheet to reflect "Excused." in the left-hand column next to the member's name (see Attached).
 - b. When new members are inducted into Branch 69, the AC adds their name to the EXCEL spreadsheet along with the date of induction in the left-hand column next to their name (see Attached).

5. The EXCEL spreadsheet is then converted to a .pdf file and sent electronically to the BS, Secretary, and the Reception and Membership Chairmen. This file is sent the week following the luncheon so that the attendance information can be used by members of the Branch Executive Committee in conducting Branch business.

6. Upon receipt of the Attendance .pdf version, the Membership Chairman (MC) will review the chart and identify those members who have missed three consecutive luncheon meetings and did not have an “excused” absence, or did not attend one-half of the regular luncheon meetings within the previous twelve consecutive month period. Once identified, the MC will contact the member(s) via a phone call to determine their continued interest in maintaining Branch membership. At the subsequent Branch Executive Committee meeting, the MC will report their findings. If the MC is unable to contact a member or the member does not respond to their contact, a Form 4 (Notice of Missed Meetings) may be sent.

Branch 69

*Branch Procedure #15
November 2019*

SECRETARY

The Branch Secretary is responsible for recording and publishing the Minutes of BEC meetings and is the official record keeper of Non-Financial Branch records. The Secretary's primary responsibilities are identified on the State SIR website (<http://sirinc.org>), under Member Information/Branch Leaders Position Descriptions/Secretary. The following procedures are intended to supplement those on the State SIR website.

Duties of the Secretary require use of a PC with Internet/email capabilities and WORD, Excel, Power Point and Adobe Acrobat software. A brief overview of duties follow:

Branch Records

The State SIR requires that the Secretary maintain 5 years' worth of Branch records for the following:

- BEC Minutes
- Newsletters
- Branch Rosters
- Annual Audit Reports

It is suggested that in addition to these records, the following also be maintained 5 years for possible future reference:

- BEC Agendas
- Treasurer Reports
- Membership Reports
- Attendance Reports
- Form 27
- Applicant Reports
- Branch Procedures (Secretary is responsible for updating and maintaining Procedures)
- State SIR Emails
- Quarterly Reports
- Branch 69 Pertinent Emails
- Branch Operations Calendar
- Other Pertinent Branch information

Maintaining Records on the PC

To store the above information on the PC, create a folder in the “Documents” file and label it “20xx Branch 69”. Within this folder, create subfolders for the 12 calendar months (e.g., January - December) and other necessary subfolders (e.g., State SIR Emails, Quarterly/RAMP Reports, Branch Procedures, Branch Rosters, Annual Audit Reports). Within the subfolders for the 12 calendar months, file all Branch Operations documents for the given month (e.g., BEC minutes, BEC Agenda, Form 27, Treasurer, Attendance and Membership Reports).

Distribution of Branch Information

It is suggested that all information received by the Secretary be distributed to those involved in Branch Operations. This requires creating the following 3 email “Distribution Lists”:

- BEC
- Committee Chairmen
- Callers

Tip: When sending information to these Distribution Lists, use the “Blind cc:” for the lists and send the email to yourself. This will prevent all the email addresses for the Distribution Lists from being shown on the email note.

Other Secretary Responsibilities

- Update yearly SIR State Branch Operation Calendar with Branch 69 specific activities.
- Create monthly BEC Agenda and get BS approval before distribution to BEC, Committee Chairmen and Callers.
- Create monthly BEC meeting minutes and distribute to the Regional Director/Area Governor and the BEC, Committee Chairmen and Callers. Distribution to the Regional Governor and Area Director must be within 10 days of the BEC meeting.
- Update and maintain Branch Procedures. Branch Procedures are located on our Branch 69 website, www.branch69.org.
- Receive all Branch reports (e.g., Treasurer, Membership, Attendance), file, then distribute to BEC, Committee Chairmen and Callers. Convert those reports that are in WORD and Excel to a .pdf document before distribution.
- Prior to the development of the annual Membership Roster, ask 12-15 members to volunteer to be Callers and provide the names to the Roster Chairman. On a monthly basis and prior to the luncheon, send the Callers a reminder email informing them of the Guest Speaker and menu, along with the date to provide luncheon counts to the BS.
- Be familiar with the SIR website and content (e.g., SIR Forms, Rule Manual, Branch Locator).
- Perform duties as identified on the SIR Schedule of Branch Operations.
- Set-up the SIR Banners and table cloth at the monthly luncheon.

Storing Annual Records/Files

A USB memory stick is used to store annual records/files. At the beginning of a new year, transfer from the PC's Documents file, the prior year's "20xx Branch 69" folder to the memory stick.

DUES PAYMENT

1. At the November BEC meeting a motion was made to implement a \$25.00 annual mandatory dues structure beginning January 2022. The motion was seconded and all BEC members present voted in favor of the motion, none opposed.
2. Policy 30 in SIR manual states: Branches may raise funds through dues or voluntary contributions as approved by the BEC.
3. After 4 months delinquency, those members will be contacted by a BEC member or a committee as designated by the BEC.
4. If after 6 months termination may be instituted by the BEC if desired. Exceptions can be made for members with financial problems, out of state or serious sickness in family or for any reason deemed reasonable by the BEC. This is allowable under Policy 26 in SIR manual which states: A Branch Executive Committee may terminate a member for a serious breach of a State Procedure, Bylaw, or Branch Regulation.
