CONNOR'S LUCK OF THE IRISH

In the month of August, there are several exciting events taking place – The Summer Olympics and NCAA and NFL Football are starting up.

One member has resigned and four other members have been dropped due to non-payment of dues. The annual dues fund the payment of branch operational expenses and some of the branch outside activities. A letter of final intention has been sent to these four members on their membership status.

We need to get a better member response & attendance status to the Ten Dedicated Volunteer Phone Callers. For the months of May, June and July, we had a high number of members that said “Yes”, but they did not show up at the luncheons. Their missing appearances has caused an added expenses to the monthly Dante Cub Luncheon Payment. At the July BEC Meeting, a policy of back charging these non-attending members has been approved for reimbursement of these non-attended meals.

Note that effective August 1st with new 2024 annual contract with the Dante Club, the cost of the membership luncheon has gone up by \$2.00 to **\$27.00**. The previous contract price for 2022 and 2023 was \$25.00. Blame it on the cost of inflation and the higher wage cost of the staff.

Planning for the SIR 69 December 12th Christmas Party has begun. The Christmas Party is a great social time and fun loving for the membership. Tickets will be available to purchase at the October and November Luncheons.

Hopefully, everything has been healthy and enjoyable for your family. Looking forward to see everyone at the SIR Branch 69 Luncheon on August 8th Luncheon.

COOP'S CORNER

It's time for the Olympics. Although I may not understand France's opening controversial ceremony, I do recognize the narrative. Most times the theme for openings are for the visual extravagant effect, that is usually related to the spirit of the Olympic games. But anytime you mix social issues

"The Olympic torch is certainly making a blazing entrance into the stadium!"

with athletic competition, it seldom goes well. I wasn't pleased with the message that France put on display in their opening ceremony. However, I know there is a narrative that those behind the scenes wants us to accept as the New Normal. Don't be coward when others stand up for what they believe to be true. Just acknowledged it, and the respond with what you believe to be true. After all, you didn't start this, but it's okay to disagree. Then kindly remind them that, this is America, and you have the same rights as they do.

Conservation Ambassadors' Wild THINGS This month's program will be a presentation by Wild Things. Wild Things provides a home for over 60 species of wildlife. Many of these animals are shared in their wildlife education presentations. Their hope is that through meeting these animals and hearing their stories, future generations will gain a greater appreciation for the natural world.

SIR James Garror

500 Crocker Road
Sacramento, CA 95864
(916) 804-9006
james.garror@yahoo.com
Sponsor: Dan Nelson

James was born in Mobile, Alabama, and grew up there. After high school, he moved to Vallejo, California, where he worked in the Oakland Naval Hospital, met his future wife, Lajuan, and got married. They soon moved to LA and then back north to Elk Grove, where they have lived for 26 years. James was then employed by the Army Corps of Engineers as a contract specialist, overseeing work for buildings, levees and other major projects. James spent 30 years with the Army Corps of Engineers before retiring in 2021.

James and his wife have three children and three grandchildren. He enjoys golf, travel and family activities.

Birthday: July 28, 1964

Anniversary: to Lajuan, February 15, 1986

SIR Ken Sawitzky

1309 Sonora
West Sacramento, CA 95691
(916) 857-4364
kensaw4@gmail.com
Sponsor: Joe Bowers

Ken was born in San Diego but grew up in the Downy area of Los Angeles. After high school, he immediately joined the Army and served for three years in a paratroop unit; he continued this activity in later years as a sport parachutist. Following his military service, Ken attended Compton College and later Sacramento State, where he earned a BS in management. He next went to work for the Broderick Fire Department. As the cities just west of Sacramento formed and re-formed, Ken had the unique experience of serving in three fire departments without ever changing stations! He ultimately retired from the fire service after a heart attack but returned to work as a fire inspector for another 8 years. At this point he retired from the fire department for good.

An avid golfer, Ken honed his game and was successful in passing the PGA performance aptitude test, which qualified him to teach as a professional. He taught at the now-closed Lighthouse golf course and later at Wildhorse course in Davis. Now he stills plays a bit but only does a small amount of teaching.

Ken has a total of 5 children and 12 grandchildren. He and his wife Galina participate in many family activities. They love traveling, too, and Ken goes to the Fire/Police International Games with his friend and sponsor, Joe Bowers. Ken is very interested in the stock market, so he is looking forward to our SIR Branch 69 investment meetings.

Birthday: December 2, 1942

Anniversary: Galina, April 15, 2004

Little SIR Lieutenant Coopwood welcomes our two new members (NM), seen here with their sponsors (S). From the left: LS Coopwood, Ken Sawitzki (NM), Joe Bowers (S), James Garror (NM), and Dan Nelson (S).

SUNSHINE

Please keep the following folks in your prayers:

Thomas (Train) Walton (Recovering from Cancer) - Thomas has been fighting with diabetes and the doctors have been actively trying to save his foot. The latest approach has been to encase his foot in a box temporarily while treating it. (My guess this is to aid in circulation)

Tim Salada (Complete Knee Replacement) - Tim is still recovering and it was good to see him out and about at the last (June) luncheon.

Otis Benning (Burst Vein in the area of his Knee) (Pneumonia) - I received a report in early June that Otis had burst a vein that pushed his knee out of shape and while he was in the hospital he picked up a case of pneumonia. He was last reported resting up and recovering at home.

Allen Weinel (Full Knee Replacement) - Allen is scheduled for surgery on July 2, 2024.

BOWLING NEWS

Two important dates for our bowling members:

Wednesday, August 14, 12 noon at Country Club Lanes. This will be our annual bowling meeting where we announce the 10 teams for the coming season, vote on officers and proposed rules changes, if any. As far as I know now, the National dues will remain at \$30, so bring your checkbook or cash for this expense. Bring all your bowling gear, too—after the meeting, we will go downstairs and have fun (free) bowling for 3 games.

Wednesday, August 21, 12 noon at Country Club Lanes. This is the start of our regular bowling season. We're starting a week early this year because we will lose two weeks due to Christmas and New Year's falling on Wednesday.

I'm working to put our 10 teams together, hoping to get all 10 as evenly matched as possible. I plan to release the teams at the August luncheon. I'm looking forward to the new season; I hope all you bowlers are, too.

As previously mentioned, we will be bowling at 12:30 pm each Wednesday during the season. That time could move up to 12 noon, but either way, our bowling will start later than it has in the past. Also, the weekly bowling fee will increase to \$11 (still a bargain!).

Other bowling information:

If you want to practice bowl, identify yourself as a SIR league bowler at the front desk at Country Club Lanes and you can bowl for \$.50/game, an increase from the previous \$.25/game. I had thought that evenings and weekends were excluded, but several guys have told me that they practiced then at the same low rate. Also, if you still have some of those old free bowling coupons from making splits, Country Club Lanes will continue to honor them.

RECRUITING AND PUBLICITY

Once again we had another good recruiting month in July with two new members—James Garror and Ken Sawitzky. We are blessed with a strong, healthy SIR Branch 69, thanks to the continued efforts of our members to volunteer their time and skill for the various leadership positions. Share our success with potential new members. Also, be sure to read the bios for our new members; they both have lead interesting lives and continue to do so now.

On Friday, August 16, Alan Weinel and I will be staffing a table at the Renaissance Society's Open House at Sac State. We're hoping that this effort will result in getting our recruiting message out to a new group of guys. We'll give it our best shot and hope for good results. As I have mentioned before, this venture comes from Blake Thomson, who belongs to both our branch and the Renaissance Society.

As I've mentioned previously, if any members have ideas about possible recruiting measures, please let me know. We have a couple new outreach efforts to explore in the coming months, but we can always use new ideas. Let me know if you have a brainstorm to share!

I'll look forward to seeing everyone at the August luncheon.

NEXT DINE-OUT:

**August 19th, 6:00 PM at
CATTLEMEN'S**

12409 Folsom Blvd
Rancho Cordova, CA
95670

Cattlemen's is owned and operated by a ranching family that offers old-fashioned True Western Hospitality – great food served with a smile in an authentic environment. There's no substitute for the best. The Cattlemen's' Pete Sr. and Pete Jr. and the Cattlemen's team are "mighty picky" – personally selecting the best ingredients for decades. Aging beef used to be a common practice, but in today's busy world it's become a lost art. At Cattlemen's we age our beef in a carefully controlled environment until it's just right. Simply put, pre-cut steaks just don't taste as good. So at Cattlemen's, we have experts on-site to hand-cut our steaks, the same day that we serve them! To make your dining experience distinctive, we've re-created the "feel and flavor" of the Old West, using authentic antiques and incorporating local color whenever possible.

Please RSVP to PBS Mark Steffens by or emailing steffens.mark@gmail.com or calling 916-214-8650

We look forward to seeing you there!
